Re: Allergen/Gluten Status of TABASCO® Brand Pepper Sauce Products

In addition to a comprehensive Quality Management System, all products that are produced by McIlhenny Company are manufactured under our HACCP Plan. This HACCP Plan is all inclusive and addresses all biological, chemical and physical hazards that may be associated with the production of pepper sauces including the risk of allergens. TABASCO® Brand Pepper Sauces do not have any of the known allergens present in the formulation. This would include the following: Peanuts, cashews, Soybeans, Milk, Eggs, Fish, Crustacean, Molluscs, Tree nuts, Wheat/gluten, Rye, Barley, Oat, Mustard, Buckwheat, Sesame, Sesame seeds, Lupine, Celey, Sulphites,. As prescribed by our Quality Management System (Safe Quality Food 2000 Level 2), McIlhenny Company follows specific Sanitation Procedures to prevent any cross contact contamination.

According to the definitions set forth by the FDA, the following TABASCO® Brand products are considered also "Gluten Free":

TABASCO® brand Pepper Sauce
TABASCO® brand Chipotle Pepper Sauce
TABASCO® brand Habanero Pepper Sauce
TABASCO® brand Cayenne Garlic Pepper Sauce
